Improving Basic Programs Operated by
State and Local Educational Agencies

(note: This list only includes ESSA programs with LEA plan requirements; not all ESSA programs.)

In the following pages, ONLY complete the sections for the corresponding programs.

Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;** however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

This template is designed to be used by LEAs who already have completed their LCAP Federal Addendum and received approval from CDE. This template will support LEAs with the review of their LCAP Federal Addendum and revision.

The review and revision of the LCAP Federal Addendum do not need to be submitted to CDE for approval. However, an LEA should have their local Board approve any revisions.

Even if the LEA plans to transfer all of its title funds, it must still address all of the provisions of the title from which it is transferring its funds. The LEA must first meet the application requirements of those funds before it can elect to transfer those funds to another title.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Dashboard data reviewed from the 2022-2023 data indicates that while TVCS continues to perform academically above both state and county performance levels our growth has stagnated over the past 2 years. Learning gaps continue to be present, particularly in the area of Math. Additionally, TVCS as a school of choice receives students from a variety of educational environments on a yearly basis and these students are often significantly behind in core competencies such as number sense of language mechanics. We are seeing evidence of effective Tier II interventions in the area of Reading for students identified as being at risk of dyslexia. Local indicators such as Fountas & Pinnell data indicate a high number of students reaching grade level reading skills as a result of targeted interventions in phonemic awareness, decoding and comprehension.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Temecula Valley Charter School's LCAP is a comprehensive document that is developed with feedback from all Educational Partners. Results from LCAP surveys and local indicators were shared with partners and feedback was solicited to guide the development of the plan. Progress on LCAP goals is shared on an annual basis during a board meeting. All fund sources, base, supplemental, federal funds (including Title 1), as well as grants are accounted for in the LCAP. The goals that were developed in conjunction with the LCAP educational partners are specific to the needs of the students and include academic, social-emotional, and school climate goals that align to the LCAP. The Administrative Team, which consists of the Executive Director and Vice-Principal as well as other school leaders including the school psychologist, student services team members, parents and board members were updated on the LCAP progress at regularly scheduled board meetings. Parent input was sought through parent engagement events, LCAP Partner meetings with parent representatives and a LCAP parent survey. Students were surveyed through administration of a Student LCAP survey. TVCS is actively building partnerships within Winchester and surrounding communities and conversations with local community partners occur as a result of these relationships.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP, it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP** development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

TITLE I, PART A

Educator Equity

ESSA SECTION 1112(b)(2) – *Not Applicable to Charters and Single School Districts.*

 - a. Number of low-income students
 - b. Number of minority students
2. Does the LEA have an educator equity gap –

Parent and Family Engagement

ESSA SECTIONS 1112(b)(3) and 1112(b)(7)

Describe the strategy the LEA will use to implement effective parent and family engagement under Section 1116.

TVCS prioritizes family engagement and our LCAP demonstrates this commitment by including feedback from parents, prioritizing parent education, promoting family engagement through on-site activities and empowering parents to support their child's education. Parents have a plethora of opportunities to engage with the school including our robust volunteer program (over 60% of our parents are certified volunteers), Family Night Outs, academic focused family events such as "Bookies and Cookies" (Literacy), Family Math and Science Night, and parent trainings. Parents also serve on our LCAP (ACT) Advisory Committee, Safety and Wellness Committee and our school Foundation. In addition, parent input is sought through LCAP surveys and scheduled parent meetings and conferences. Parents of underrepresented groups are recruited and included in surveys, parent committees and are encouraged to take an active role in campus life. Parents of students receiving Title 1 services get regular communication regarding their child's progress through Parent Square, Aeries, parent conferences and access to their student's Google classroom. Specifically, English Language Learners were invited to participate in feedback sessions with school staff as they represented the highest percentage of chronic absenteeism although they represent a very small percentage of the student population at TVCS.

To meet this requirement, LEAs must provide a description of the following:

ESSA Section 1112(b)(3): how the LEA will carry out its responsibilities under paragraphs (1) and (2) of Section 1111(d);

1. How the LEA will involve parents and family members at identified schools in jointly developing Comprehensive Support and Improvement plans
2. How the LEA will involve parents and family members in identified schools in jointly developing the Targeted Support and Improvement plans
3. In the absence of the identification of any schools for Comprehensive Support and Improvement (CSI) or any schools for Targeted Assistance and Intervention (TSI), the LEA may write N/A. This provision will not be reviewed.

ESSA Section 1112(b)(7): the strategy the LEA will use to implement effective parent and family engagement under Section 1116; shall include how the LEA and its schools will build capacity for parent and family engagement by:

2. Describe how the LEA will provide assistance to parents of children served by the school or local educational agency, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of this part, and how to monitor a child's progress and work with educators to improve the achievement of their children; (ESSA Section 1116(e)(1))
3. Describe how the LEA will provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement; (ESSA Section 1116(e)(2))
4. Describe how the LEA will educate teachers, specialized instructional support personnel, principals, other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school; (ESSA Section 1116(e)(3))
5. Describe how the LEA will to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children; (ESSA Section 1116(e)(4))
6. Describe how the LEA will ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand (ESSA Section 1116(e)(5))
7. Describe how the LEA will provide such other reasonable support for parental involvement activities as parents may request (ESSA Section 1116(e)(14)).
8. Describe how the LEA will provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports in a format and, to the extent practicable, in a language, such parents understand (ESSA Section 1116(f)).

Also, include how the LEA will align parent involvement required in Section 1116 with the LCAP educational partner engagement process.

THIS ESSA PROVISION IS ADDRESSED BELOW:

TVCS is not required to develop Targeted Support or Comprehensive Support Plans. Temecula Valley Charter school helps parents understand learning standards and expectations for their children by providing Back-to-School nights, parent engagement events highlight various academic disciplines and understand the means by which to monitor their child's progress. Parents are encouraged to create an Aeries Parent account to monitor student progress and read/respond to teacher emails updating student progress. Additionally, parents are notified of local assessment scores (STAR Testing) and are mailed reports of CAASPP scores. These reports explain how to read and interpret student test data. Guidance on how to read score reports is sent in both English and Spanish. Additionally, the student services team actively solicits parent feedback and concerns/input on the development of Individualized Education Plans (IEPs), 504s and Student Study Team meetings as TVCS seeks to address the individualized needs of each student. Teachers share benchmark assessment data with parents during parent meetings, through email, and regular communication using modalities such as Parent Square. TVCS has initiated an AVID program to help build and support students in being college and career ready as they enter their high school years. Parent communication emphasizes the importance of the adherence to state standards on the part of school staff as essential for the academic development of each student. As a small charter school we collaborate with various community agencies such as Riverside County libraries, museums, and higher-education institutions to provide resources and expertise that promote parent empowerment. TVCS initiated utilizing the PARSEC REEL to solicit parent feedback on a variety of topics including LCAP goals, school climate and culture, board policies such as mobile communication devices, and other policies and procedures. This platform utilizes AI to generate themes and action items from parent data.
