

## Temecula Valley Charter School

### Title I Annual Notice

In order to improve the academic achievement of students from economically disadvantaged families, the charter school shall use federal Title I funds to provide supplementary services that reinforce the core curriculum and assist students in attaining proficiency on state academic standards and assessments.

The Superintendent or designee shall ensure the coordination of Title I activities with other programs as appropriate.

The charter school receiving Title I funds shall develop a written parent involvement policy in accordance with 20 USC 6318.

#### Local Educational Agency Plan

The Superintendent or designee shall consult with teachers, administrators, other appropriate school personnel, and parents/guardians of participating students in the development, periodic review, and, as necessary, the revision of a local educational agency (LEA) plan. The plan and any revisions shall be submitted to the Board of Trustees for approval. (20 USC 6312)

The plan shall address the components specified in 20 USC 6312, which describe the assessments, strategies, and services the district will use to help low-achieving students meet challenging academic standards.

The initial plan shall be submitted to the California Department of Education (CDE) and approved by the State Board of Education. Subsequent revisions of the plan shall be kept on file in the district.

#### Program Evaluation

The Board shall use state assessment results and other available measures or indicators to annually determine whether the charter school is making adequate yearly progress toward ensuring that all students meet the state's proficient level of achievement on state assessments. (20 USC 6316)
